For questions please contact the Central Shenandoah Health District: 540-332-7830

The Central Shenandoah Health District is pleased to offer a Free Flu Shot Clinic for the general public and first responders. The flu vaccine is being offered **FREE OF CHARGE** to all participants. The vaccine is being donated by the Virginia Department of Health through the Central Shenandoah Health District as a part of their annual testing and training of emergency preparedness procedures.

Our goal is to have you receive your **FREE OF CHARGE** Flu Shot in less than 15 minutes!
