

# COME WORK WITH US!

**We are looking for qualified  
BLS and ALS providers like you!**

At Priority Patient Transport, our focus is on the delivery of exceptional medical care to our patients and customer service to our facilities by skilled and professional medical providers. We seek a fun and rewarding work culture that supports the services we offer. Our employees have high expectations for safety, medical care, professionalism and work ethic.

Current openings exist for Full and Part Time BLS and ALS providers in Harrisonburg, Staunton and Charlottesville, VA.

Our general service area is along the I-81 corridor from Lexington to Winchester and the I-64 corridor from Lexington to Louisa.

**888-488-9103**  
(Opt 3 for HR)
